DB&H and other show business information gleaned from many sources, but especially works by Broadway and Hollywood historian Stanley Green. Simon & Schuster's The Timetables Of History used for other historical context.

Movie stars (*), when available, taken from Leonard Maltin's Movie Guide. **** = very best, *½ = very worst. No *, instead BOMB.

Listings of **DB&H** songs (or just **B&H** or **D&H**):

- ◆ Song titles are always printed in italics when first cited (eg - *Lady Fair*)
- ◆ If **bold italics**, Lorenzo Mitchell has at least one recording of song in his collection (eg - *Tweet, Tweet*{2}). Number in curved brackets ({2}) indicates number of different recordings, hence a rough popularity index.
- ◆ If a song title is underlined, sheet music for the song is in the Bagaduce Music Lending Library collection (eg - *The Girl Is You the Boy Is Me.*)
